

## 18 Degree Time for Sahor Finish Port Elgin Islamic Centre.

وَكُلُوا وَاشْرَبُوا حَتَّى يَتَبَيَّنَ لَكُمُ الْخَيْطُ الْأَبْيَضُ مِنَ الْخَيْطِ الْأَسْوَدِ مِنَ الْفَجْرِ

eat and drink until the white thread of the dawn becomes distinct from the black thread;

Surah Al-Baqarah – 2:187

18 degree is the time when night ends and that's when we suppose to finish our Sahor, as per the above AYAT (2:187) and the supporting graph.

We encourage our community not to compromise their Fast just for the matter of few minutes.

Most of the big Islamic centers and Masjid's also understood this problem with 15 degree sahor and corrected their Ramadan timetables accordingly. For details email [portelginmc786@gmail.com](mailto:portelginmc786@gmail.com)

What is Astronomical Twilight – Astronomical Dawn & Dusk

Astronomical twilight is the darkest of the 3 twilight phases. It is the earliest stage of dawn in the morning and when **NIGHT ENDS** and the last stage of dusk in the evening.
